# LASER SCANNING AND BUILDING INFORMATION MODELING (BIM)

## HOW H2M CAN SUPPORT

- Hyper accurate documentation.
- Leverage scanning and BIM to deliver value.
- Visualize building in 3D for conflict resolution.
- Let us show how this can accelerate your project to completion.

## WHAT WE SUPPORT

- Existing Conditions Documentation
- Design and Construction
- As-Built Records
- Asset and Facility Management
- Operations Communications
- Virtual Walkthroughs
